15

16 NEW SECTION. Section 1. Family education savings trust. (1) There is a family education savings
17 trust THAT IS AN INSTRUMENTALITY OF THE STATE AND THAT IS CREATED FOR A PUBLIC PURPOSE. The trust consists of
18 participating trusts with each participating trust corresponding to an account. The assets of one participating trust
19 may not be commingled with the assets of any other participating trust. The assets and earnings of any
20 participating trust may not be used to satisfy the obligations of any other participating trust. EACH PARTICIPATING
21 TRUST ACCOUNT REPRESENTS A TRUST INTEREST IN THE TRUST AND INCLUDES AMOUNTS RECEIVED BY THE PROGRAM
22 FROM ACCOUNT OWNERS PURSUANT TO THE PARTICIPATING TRUST AGREEMENT AND INTEREST AND INVESTMENT INCOME
23 EARNED BY THE TRUST ACCOUNT.

24 (2) The assets of the trust consist of investments and earnings on investments of funds received by the
25 program as deposits to accounts and amounts transferred to the trust from accounts established prior to [the
26 effective date of this act] pursuant to subsection (3).

27 (3) In accordance with the instructions of the account owner, the trustee shall invest funds deposited
28 in each participating trust in permitted investment products as provided in this chapter. The trustee or a financial
29 institution acting as an agent of the trustee shall pay or apply funds from each participating trust for qualified
30 withdrawals, nonqualified withdrawals, penalties, and withholdings.

1 (4) (a) After [the effective date of this act] and before the mandatory transfer date specified in subsection
2 (4)(b), each account owner must be provided with notice of the creation of the family education savings trust,
3 the participating trust agreement, and documents describing the options and actions available to the account
4 owner. An account owner may execute a participating trust agreement and have funds that are held by financial
5 institutions in accounts established prior to [the effective date of this act] transferred to the trust and to a
6 participating trust corresponding to the transferor's account. Until a voluntary transfer occurs pursuant to this
7 subsection (4)(a) or a mandatory transfer occurs pursuant to subsection (4)(b), accounts established prior to [the
8 effective date of this act] remain valid and are governed by this chapter as it read prior to [the effective date of
9 this act].

10 (b) On December 31, 2005, or at a later date set by the board to protect account owners from possible
11 adverse consequences, all remaining funds or investment products that are not transferred pursuant to
12 subsection (4)(a) and that are held by financial institutions in accounts established pursuant to this chapter prior
13 to [the effective date of this act] must be transferred to the trust. The funds or investment products must be
14 placed in a participating trust corresponding to the account and each account owner whose account is
15 transferred is considered to have consented to and be bound by a participating trust agreement and to the
16 transfer of funds or investment products held in the account to a new participating trust.

17
18 **NEW SECTION. Section 2. Temporary savings account program.** (1) If the board offers an
19 investment product of certificates of deposit or bank savings accounts insured by the federal deposit insurance
20 corporation, the board may provide for the holding of those investment products by a financial institution as trust
21 accounts for the account owner without being part of the participating trust arrangement for the trust.

22 (2) Certificates of deposit and bank savings accounts not held as part of the trust are to be held as trust
23 accounts under conditions set by the board based on, as applicable, conditions required for participating trust
24 accounts under this chapter. The provisions of this chapter that apply to reporting, holding, management, and
25 other administrative and tax consequences of a participating trust account of the family savings trust apply to
26 trust accounts under this section.

27 (3) If trust accounts have been established under subsection (2) and the board determines that it would
28 be in the best interest of the program for those accounts to become part of the family education savings trust,
29 the board may merge the trust accounts established under subsection (2) into the trust. The board shall establish
30 a transfer date. The board shall give at least ~~6 months'~~ 90 DAYS' notice to owners of trust accounts established

1 under subsection (2) of the intent to merge and a description of the options available to an account owner upon
2 merger. Each owner of a trust account established under subsection (2) may execute a participating trust
3 agreement and have the title to the owner's trust account that is held by a financial institution transferred to the
4 trust and to a participating trust corresponding to an account for the account owner. On the transfer date, all
5 accounts not transferred by account owners must be transferred by the board to the trust and placed in
